Investment objective

The Fund is actively managed and based on a concentrated portfolio of 30 to 50 stocks. Its objective is to outperform the MSCI ACWI Net Total Return on a risk-adjusted basis by investing in companies of the highest quality which offer the most compelling potential given fundamental, technical and valuation considerations. The portfolio's exposure is fine-tuned based on the investment team's appraisal of the macroeconomic environment, business cycle and geopolitical context. Various option strategies are used for yield enhancement and hedging purposes.

Disclaimer

General: This document is not an invitation to subscribe for shares in the Fund and is by way of information only, it should not be considered financial advice. The offering of the shares and the distribution of Fund's Prospectus may be restricted outside the Grand-Duchy of Luxembourg and is not available to residents and/or nationals of the USA. This is marketing material and not intended as a recommendation to buy or sell any particular asset class, security or strategy. Regulatory requirements that require impartiality of investment/investment strategy recommendations are therefore not applicable nor are any prohibitions to trade before publication.

The value of investments and any income will fluctuate (this may partly be the result of exchange rate fluctuations) and investors may not get back the full amount invested. An investment in the Fund is subject to a high degree of risk including the possible loss of capital. As with all investments, there are associated risks. All expressions of opinion are subject to change without notice and do not constitute advice and should not be relied upon. Persons interested in acquiring the fund should inform themselves as to (i) the legal requirements in the countries of their nationality, residence, ordinary residence or domicile; (ii) any foreign exchange controls and (iii) any relevant tax consequences. The Fund, the Fund's Management Company and Investment Manager and other relevant parties will not accept any responsibility for any loss arising from reliance on the information it contains, and no guarantees are made on the accuracy of the information disclosed. Investments in the Fund should only be made and based on its Prospectus and the KID. The Fund is available only in jurisdictions where its promotion and sale is permitted. Not all share classes of this Fund may be available for public sale in all jurisdictions and not all share classes are the same nor do they necessarily suit every investor.

There is no assurance that the Fund will meet its investment objective. This document does not consider individual objectives, taxation position or financial needs and should not be relied upon as the sole factor in an investment making decision. Each time performance data is published, it should be noted that the past performance is no indication of current or future performance. The performance data does not take into account the commissions and costs incurred on the issue and redemption of units, if any.
